## About Our Company

Meadowbrook Distinctive Outdoors was opened by Laurel Land Design in 2002. We are pleased to offer a variety of planting selections at our Burlington location as well as landscaping design services. We take pride in offering our customers the best local selection of plants, pond equipment, landscape lighting, fencing, garden art, and design services. For those of you who "do it yourself" we also offer rental of landscaping and heavy equipment for your projects.

**Come in and visit us today!**

May 2007 - we have many new plants, trees and landscaping materials.

Buy your annuals now while they last!!
